SNAICC encourages everyone with some role in raising Aboriginal and Torres Strait Islander children to raise them strong in their Aboriginal or Torres Strait Islander culture.

Communities and families that raise their children strong in culture create many pathways to healing and revival.

National Aboriginal and Islander Children's Day (NAICD) is sponsored by SNAICC.

For more information on SNAICC or NAICD, call us or visit our website: www.snaicc.asn.au/children

The 2007 NAICD poster is produced with the financial support of the Australian Government Department of Families, Community Services and Indigenous Affairs
